Approved and paid bills

Chad Johnson with the Jump River Lions Association was present with the bid for the fireworks. In the past the town has written the check for the fireworks and the Lions have reimbursed the town. But in the last couple of years the Lions have directly paid the firework vendor directly. Chad was present to see how we wanted to handle it this year as he is new to this. It was decided that we will continue to have the Lions write the check for the fireworks. If this would become an issue down the road we will go back to writing the check and having the Lions reimburse us.
